AFTER THE CARDS AND VISITORS

Bereavement is a very difficult time for the spouse/partner left behind. Starting again on their own is even more difficult.

Carrie and Anne would like to help with the next step by meeting recently bereaved spouses/partners for coffee at Greyfriars on the first Tuesday of the month at 10.30am. Contact Carrie on 850103 for further information. **Meets 4th July and 1st August 2017. All welcome.**

Father,

We have so many questions. Life is sometimes difficult and we can't see our way. Thank you for Jesus who told us He is the Way. It doesn't matter if we don't always understand as long as we are on your special Way – in relationship with you through your precious Son, who died on the cross to make that possible. Help us to join the Way by putting our trust in what Jesus has done.

Help us to make it easy for others to find the Way – to find Jesus. Please give us revelation to know the right words to use and the right actions to take to draw people to you.

We ask in Jesus name and for your glory alone,

Amen.

Farewell from the Rectory

July/August 2017

In 2010 I was appointed to the benefice of Richmond with Hudswell, Downholme and Marske and Liz and I moved up from Nottingham in the early November. The easiest way to describe our start is to quote from my letter sent to my previous parishes.

"We are now in Richmond, but can only describe our first few weeks as memorable!!

Record breaking snow showers and arctic temperatures have made life interesting. Just to make our start even more memorable, the brand new heating system developed a leak and had to be turned off, on the night when temperatures reached -15°! The plumber thought it was because the filter had been damaged by frost – which is inside our utility room!!"

Such a lot has happened since that cold winter and it is a joy to see how so much has grown and developed in the life of our parish.

When I applied for this post, part of the information I received was the parish profile. This contained a full picture of Richmond, Hudswell, Downholme and Marske together with the life of the churches. It also contained "Strengths and Weaknesses, a list of "Requirements of a new Minister" and "Key challenges for the new Incumbent"! It is for you to decide how I have measured up to those daunting tasks. However I believe that in many ways much of these tasks and challenges have been met.

The key thing for me and a source of much joy as I reflect on my ministry here is to see the way in which God is working in so many people as he moves his church onward and outward.

In St Mary's, whilst maintaining much of the tradition of the church in terms of churchmanship and worship styles, we together have managed to introduce a wider worship pattern for all ages. To have an established pattern of worship which includes BCP Holy Communion, Sung Eucharist, Choral Evensong, Cafe Church, Fun – Key Church, Free to Be and two mid week services of traditional language Holy Communion illustrates the commitment so many of you have for making worship welcoming and inclusive for all.

In St Michael's & All Saints Downholme and St Edmunds Marske the comments in the visitors books speak for themselves. Comments are made re the sense of being in a loved building with a welcoming atmosphere. These two loved churches are supported in such a lovely way. Much is said about the difficulties of rural ministry, but I often hold Downholme and Marske up as two wonderful examples of church in the community. For example just ask those on the coast to coast walk who so appreciate the drinks and snacks laid out for them in St Edmunds, with a simple honesty box for donations.

Whilst it has been very sad to witness the forthcoming closure of St Michael and All Angels Hudswell, it has also been lovely to see how those from Hudswell have so easily become part of St Michael's church family in Downholme.

Thank you for your faith, your love and your eagerness in so many different ways, to proclaim that Jesus Christ is alive and relevant in our world today.

The ministry in this benefice has been enabled and strengthened by our ministry team, who work together so well. I would like to give a personal thank you to all the

Readers and retired clergy for their support. The mixture of energy and experience, underpinned by a humble and hard working practical faith has been a delight to experience. Combining this with the incredibly hard work of the officers and members of the two PCCs has enabled the churches to be church in every sense of the word.

It is so important to enable church in the community and the close working links with our schools, local councils, civic and military organisations is practical and actual and has been a powerful form of Christian outreach. You have played and continue to play a vital role in these areas of God's work in the community and I thank you so much.

So many of you, too many to name, have been particularly responsible for the expanding outreach of the churches in the Benefice. I wish you every blessing as you continue to discern God's will for you as individuals and as church.

On a personal note Liz and I will be leaving you all with mixed feelings. A sense of sadness at leaving a family in which we have felt so much a part, mixed with a sense of excitement as we look forward to our retirement back in Nottinghamshire.

Thank you so much!

We hope you will be able to come to our farewell Songs of Praise at 6.30pm on Sunday, July 9th, in St Mary's, followed by refreshments.

We will also be holding an open house at the Rectory on Saturday July 15th, from 10:00am – 5:00pm, to which you are all warmly welcome.

Yours in Christ
Rev'd John

Please help our tenor bell on its journey to Kerala Southern India!

Our old 11-cwt tenor bell was destined to be melted down. But no more!

The Church in Chemmalamattam, Kerala Southern India on hearing from the Keltek Foundation that we were looking for a home for our tenor bell contacted us and Taylor Bellfounders with the result that the bell is now going intact to ring in their Church.

It is wonderful to think that this bell which has celebrated great occasions and summoned people to worship over the past 150 years in North Yorkshire will now do the same in Southern India.

However, we feel we need to raise the money for its transport, the cost of which is £910. If you wish to contribute to the transport costs please they make a cheque out to Richmond with Hudswell PCC and mark the back of the cheque "bells" and let me or William Gedye have it. If you can, please also ask for a gift aid form. Many thanks.

For any further details or gift aid forms do make contact with Peter Trewby 24 Hurgill Road DL10 4BL, (01748) 824468, trewbyp@Gmail.com.

Mary Sumner Prayer

All this day, O Lord, let me touch as many lives as possible for thee; and every life I touch, do thou by thy spirit quicken, whether through the word I speak, the prayer I breathe, or the life I live.

Amen

THANK YOU FROM THE PEARSONS -

Phil and Sheila Pearson would like to say thank you to all at St Mary's.

We were very touched by your kind words at our last service with you, and will always treasure the book with your signatures and comments.

St Mary's was such an important part of our lives and we'll miss you all so much.

St Lawrence's in Warkworth have been very welcoming but it does all feel rather strange at the moment.

We do want to stay in touch and would love to see anybody who is up this way - our new number is 01665 712269. St Mary's will be in our thoughts and prayers, particularly when you say goodbye to John and Liz and embark on the interregnum.

The Christian Value we are focussing on this last half term is 'Friendship'. "A sweet friendship refreshes the soul" – Proverbs 27:9. We can certainly see that in the comfortable companionship, caring attitude, smiles and laughter of the children as they play and learn throughout the school. Just one week into the last half term and already the children have taken part in a wide range of activities.

Over the course of the week, all classes made paper tulips for our display at St Mary's Church Flower Festival. Thank you to Mrs McCormack for supporting the school with this. Children from the Reception class went down to explore the church and admire the displays. "They're really pretty and the church smells lovely", said Courtney.

The school was a hive of scientific activity on the Tuesday. It was wonderful to see all the children dressed as scientists taking part in a range of fascinating investigations based around the characters and stories of Roald Dahl. Fun was had by everyone involved.

On Wednesday Dave from 'Skip to be Fit' came in to work with the school. Dave has been in for a few years now and every time we know we are in for a good day. We were not disappointed as the children, and staff, were very enthusiastic and motivated to improve their skipping techniques and scores! This ties in perfectly with our 'Secret of Success' this term: Improve!

Year 6 visited Right Click Studios on Thursday to have group photos taken for their Leaver's Book which will be a treasure to keep of memories of their time at primary school and the friendships they have made.

Year 2 became experts of their local area on Friday as they completed a Tour of Richmond to support various areas of the curriculum and will be using this knowledge to write stories.

By the time you are reading this, various practitioners will have come in to school to work with us as part of the Richmond Bells project. Look at the blog <http://blog.richmondcofe.n-yorks.sch.uk/> to see what we get up to.

When asked 'What is a friend?' the children replied: "Someone you can trust", "Caring", "By your side", "Annoying!"..... well, maybe it's all of those things!

Liz Foxwell

"Your words are powerful. With a few kind words you can transform a person's day and sometimes their entire life."

Love is stronger than hate;
Life is stronger than death;
Victory is ours through him who loved us."*
Desmond Tutu

"God is greater than great, closer than close, more loving than love."
Bishop David Jenkins

God was manifested toward us,
for God is love.*

MOTHERS' UNION

Our June meeting was our last meeting with John and Liz also it was Margaret Clayson and Rex Bassindale's Birthday so we celebrated with tea and cake and presented John and Liz with a rose bush for their new home entitled "Warm Wishes".

On Saturday 22nd July at 3pm we host our annual fund raiser in St. Marys Church - A concert by Reeth Brass Band followed by afternoon tea tickets £6-50 from MU members.

We are meeting at Margaret Clayson's for our Tuesday 25th July meeting, and in August and we meet at the Cathedral for midday prayers and picnic for Mary Sumner Day on Wednesday 9th August.

We did a flower arrangement for the flower festival around the font in memory of Margot Fox who did the same arrangement at a previous flower festival before she died.

Susan Scafton

The Mothers' Union Prayer

Loving Lord,

We thank you for your love so freely given to us all.

We pray for families around the world.

Bless the work of the Mothers' Union as we seek to share your love through the encouragement, strengthening and support of marriage and family life.

Empowered by your Spirit, may we be united in prayer and worship, and in love and service reach out as your hands across the world.

In Jesus' name. Amen

FUN-KEY CHURCH @ ST MARY'S RICHMOND

We had a great time at Fun-Key Church at the end of May when we looked at The Ascension. Plenty of craft activities, a quiet space, and 2 science experiments. We said prayers using bubbles to carry our prayers to God who is all around us, and not just in the sky.

We enjoyed refreshments from the MU team and we love the help which our volunteers give us. They are stars. As ever our helpers got stuck into all the activities and everyone had fun.

By the time you read this we will have had our Pet service which is always great fun - at the time of writing we were looking forward to some fab hymns, pet blessing, certificates given, face-painting, paper-plate craft. We decided we might not manage to create a quiet space this month! Then we look forward to welcoming people back on **Sunday 30th July before our annual break in August and then back refreshed on Sunday 24th September.**

Very relaxed fun, faith and fellowship for all ages.

Introducing “The Happy Bodgers”.

Over the last few months a few of our gentlemen have been looking at how they can work together to help others who may be in need of a practical assistance. As a result they have formed a group called “The Happy Bodgers”. Happily they are far more skilled than their title suggests and they are able to offer a variety of help free of charge.

They write -

“We realise that, as people grow older or disabled, they may need help with odd jobs. They may be perfectly capable of changing a light bulb, but can't safely climb onto a chair to do it. Or climb into the loft to retrieve stored items. So we offer to do such simple tasks on a voluntary basis provided they are within our own abilities. These are DIY jobs which may require simple skills, not the sorts of job that would need a 'white van man'. We have different skill sets and could allocate tasks accordingly.

We could operate in pairs if necessary, eg to move heavy furniture in order to clean. We might be able to help with some joinery, simple repairs, electric fittings, small jobs in the garden, minor computer problems and advice on using software, internet, email etc. We might be able to clear gutters and take things to the dump. Try us - we can say no if we don't feel capable.

We could probably not take on regular tasks such as lawn mowing, weeding, shopping etc.

Why not give us a call on 01748 826803 and John Dickinson will see if the Happy Bodgers can help, and take it from there.”

We look forward to helping you.

What do you smell like at work?

This does not mean when you're a bit sweaty from your cycle ride to the office, or after you've polished off a cheese and onion salad sandwich for lunch.

It *does* means what do you exude when you go to meetings? When you meet clients or patients, when you work closely on a project with colleagues, when you chat with your boss... what do people breathe in when they're around you?

2 Corinthians 2 talks about us being the 'aroma of Christ' to people – that as we interact with those around us, over time, our words and our actions develop a scent and a flavour that can suggest something of God's character.

Fiona, a social services manager from Scotland, seems to smell pretty good. *“I look at you and I wonder how you can behave as you do”,* a colleague said to her recently as they battled for the umpteenth time with a long-running and very difficult service complaint. *“You're under so much stress and always busy, but you always have a smile and a different perspective.”*

Tom, who heads up a car-company sales team in the Midlands, also has something of a godly scent – despite the competitive industry he's in, where the temptation to cover up mistakes is high. One of his managers recently commented: *“I really respect that you always tell the truth and don't try to hide problems – that's had a huge impact on me, and on the team too.”*

All of us can approach our work in a way that gives off a Christ-like aroma. The scent comes from the ripening fruits of the Spirit in our lives: love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control.

SOMETHING TO READ...

Still Valued and Blessed By Patrick Coghlan, Kevin Mayhew, £12.99

What exactly is old age? Grey hair? A pension? A state of mind? Whatever it is, and however it is defined, one thing is for sure: God wants our lives to continue to be valued and blessed.

And so Patrick Coghlan encourages everyone entering and journeying through old age to do so with a positive attitude and to live a spiritually fruitful and fulfilling life. "We still have spiritual needs to be met, callings to fulfil, and new things to learn!"

Cancer: A Pilgrim Companion By Gillian Straine, SPCK. £9.99

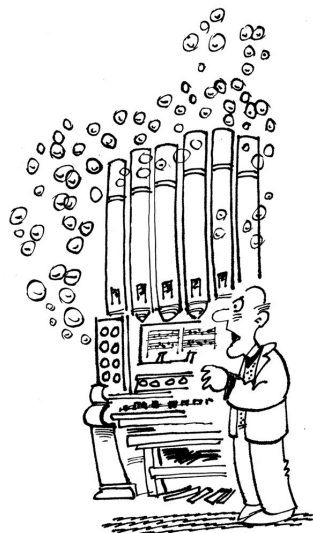

A cancer diagnosis is a seismic event. It divides life into before and after, and propels the diagnosed into places of suffering, pain and isolation; life is turned upside down.

In this wise and compassionate book, cancer survivor Gillian Straine proposes that this journey through illness, pain and anxiety be reconceptualised as a pilgrimage of discovery. The Christian faith is that we are never abandoned by God, and this promise holds wherever we might find ourselves, whether that is in the doctor's waiting room, in a chair receiving chemotherapy or lying on the surgeons table.

Prayers, Texts and Tears – a creative response to grief By Dai Woolridge, Bible Society, £7.99

How do we respond to God, our family, and our colleagues when our whole world is shattered by the death of a loved one? For Spoken Word artist Dai Woolridge, there were sometimes no words. In this honest and personal story of grief, Dai offers a creative response to God in psalm-like poems, prayers and beautifully expressed 'scribbles and inner monologues'.

Whatever the bereavement, grief is something we all encounter at some point in our lives. Having lost his dad suddenly, Dai Woolridge knows well the 'hope-thieving nature of grief'.

For the last time! - Which member of the Junior Choir put bubble mixture in the organ-blower?!

"When I was a boy and I would see scary things in the news, my mother would say to me, 'Look for the helpers. You will always find people who are helping. To this day, especially in times of disaster, I remember my mother's words, and I am always comforted by realizing that there are still so many helpers — so many caring people in this world.'" PASTORAL CARE

The St Mary's Church community prays that we can do all we can to support, listen to, and love all in our parish whether members of our church or not. The Pastoral Team at St Mary's have established a **Prayer Circle** at St Mary's. If you have something which you would appreciate prayer for, whether for yourself or for someone you care about, we would be privileged to pray about it. No prayer request is ever too small or trivial. Whatever you wish to share, in confidence, we will support you in prayer.

To ask for prayer you can either telephone, email or text Gillian Lunn and she will place your prayer in the circle. Please be assured your requests are confidential.

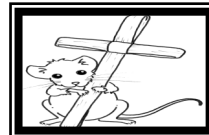

You can contact Gillian on Tel: 075 920 16476 or Email: gillian.lunn@yahoo.com

To be a praying member of the circle or a member of the Pastoral Team, please speak to Gillian.

We also have a **Visitor and Phone Call Request** form which is available at the back of church. This form can either be completed for yourself or on behalf of someone who you believe would appreciate a visit or a phone call from a member of the Pastoral Team. There is a box clearly marked at the back of church where you can put the slip. If you are unable to complete the form because you are not in church, please telephone, text or email Gillian. We look forward to hearing from you.
