Warm Welcome Network www.warmwelcome.uk

Richmond Methodist Church is participating in this national scheme in response to the cost of living and heating crises facing so many. Other organisations in the town and surrounding area are invited to join the scheme so that, between us, we can offer as many days/times as possible when people can find a free, warm, welcoming, safe space open to all. Richmond Methodist Church ask for your prayers as well as your practical support and are recruiting volunteers to enable them to open their premises. Donations towards their increased utility costs will also be gratefully received. Please contact Martin for further information (07762 440094).

Refreshments and Fellowship. Now that life is more closely approaching normal it's wonderful that more people are able to enjoy refreshments and fellowship after the Sunday ten o'clock service.

At present we have five teams of willing helpers to serve the refreshments. It would be very good if we could have some more volunteers in order to spread the load a little. We are hoping that we can reduce the rota so that each team is on duty just one Sunday in every other month.

And if you are willing to help our teams set up or put away the tables that would be much appreciated.

If you are able to help in any way please contact Anne Clarke 07982 658991.
