November Charity of the Month: Combat Stress

Combat Stress is the UK's leading charity dedicated to supporting veterans' mental health. Founded in 1919, it provides life-changing treatment and support for former servicemen and women struggling with conditions such as post-traumatic stress disorder (PTSD), depression, and anxiety. The charity offers a range of free, specialist clinical services including therapy,

peer support, and recovery programmes, delivered both in-person and online. Working closely with the NHS and the Armed Forces community, Combat Stress helps veterans rebuild their lives and regain independence. It's mission is to ensure that no veteran faces mental health challenges alone. <https://combatstress.org.uk/>
