Dial-In Services

We have set up this resource to try and reach out to those people who do not have access to computers or who may find internet access difficult.

Our aim is to hold Compline services on Wednesday and Sunday evenings at 6.30pm. We have included a Compline booklet with this note.

Plus you may wish to dial-in and hear the "St Mary's Live Communion Service" which we hold at 10am on a Sunday morning.

We will try and add other services in to our package of services but we wish to start off carefully and do things as well as we can so that it is helpful to you rather than frustrating.

Services will be led by familiar voices from within the Ministry Team.

You will hear some blurb about how much we've saved by using the company (it hasn't cost us anything). **The cost of the call will be no more than a local call.**

(The phone lines will be opened from approximately 15 mins before the service is due to start. This means that you may have a wait before the start, but it may reduce the pressure to try and dial-in at exactly the right time. The service will not start before the scheduled time.)

The Archbishop of Canterbury, Justin Welby, has launched a free national phone line as a simple new way to bring worship and prayer into people's homes while church buildings are closed because of the coronavirus.

Daily Hope offers music, prayers and reflections as well as full worship services from the Church of England at the end of a telephone line.

The line – which is available 24 hours a day on **0800 804 8044** – has been set up particularly with those unable to join online church services during the period of restrictions in mind.

The service is supported by the Church of England nationally as well as through the Connections group based at Holy Trinity Claygate in Surrey and the Christian charity Faith in Later Life.

Callers will hear a special greeting from the Archbishop before being able to choose from a range of options, including hymns, prayers, reflections and advice on COVID-19.

Options available include materials also available digitally by the Church of England's Communications team such as Prayer During the Day and Night Prayer, updated daily, from Common Worship, and a recording of the Church of England weekly national online service.

A section called **Hymn Line** offers callers a small selection of hymns, updated daily. An option entitled 'Hymns We Love', provides a hymn and reflection and is based on an initiative by the Connections group

Archbishop Justin said:

"The Daily Hope service will allow people to hear hymns, prayers and words that offer comfort and hope, especially in this Easter season.

"I want to urge people to spread the news about this service. If there is someone you know who is particularly struggling, give them a call and let them know about the Daily Hope. I'm going to phone a friend; will you join me?"
