The May Charity of the Month is The Brain Tumour Charity:

Brain Tumours are hard to treat and because of this, research has lagged behind research into other forms of cancer, with little progress made in improving survival rates compared with other cancers. In recent years, some new forms of treatment have been started and there is hope that they may yield encouraging results. Research needs funding and that is where this charity comes in.

Please help if you can www.thebraintumourcharity.org

*All this day, O Lord,
let me touch as many
lives as possible for thee;
and every life I touch.
*do thou by thy spirit
quicken, whether ****
through the word I speak
the prayer I breathe.*
or the life I live. Amen
