August Charity of the Month: The Big Issue Foundation

The Big Issue Foundation is a UK charity that supports vendors of *The Big Issue* magazine. While the magazine offers individuals an immediate income through employment, the Foundation addresses the underlying causes of their homelessness. It delivers vital, tailored support in areas like healthcare, housing, financial literacy, and mental wellness. By equipping vendors with these essential life skills, the charity helps them rebuild their lives, secure permanent housing, and integrate back into society.
