Please join either of our two courses in which over 6 weekly sessions we will explore our understanding of human identity, changing patterns in relationships and families, and changing sexual attitudes and activity. As we listen together, we will consider what it means for followers of Jesus to walk in love, faith and holiness today.

The October Charity of the Month is Samaritans

Every day, Samaritans volunteers respond to around 10,000 calls for help. Samaritans is not only for the moment of crisis, they are taking action to prevent the crisis. They give people ways to cope and the skills to be there for others, offering listening and support to people and communities in times of need.

Every life lost to suicide is a tragedy, and Samaritans' vision is that fewer people die by suicide. That's why they work tirelessly to reach more people and make suicide prevention a priority.

The Civic Service originally scheduled for next Sunday has been postponed until next year. Instead, we will be able to observe National **Safeguarding Sunday**.
