The February Charity of the Month is 'Embrace the Middle East'

Embrace the Middle East is a UK-based Christian charity that supports some of the most vulnerable communities across the Middle East. Working through trusted local partners, it focuses on healthcare, education, community development, and peace-building in countries affected by conflict and poverty. Embrace pays

particular attention to marginalised groups, including children, refugees, and people with disabilities. By empowering local organisations rather than imposing external solutions, the charity helps communities rebuild with dignity and hope. Rooted in compassion and solidarity, Embrace the Middle East seeks long-term change, promoting resilience, justice, and understanding in a region facing ongoing challenges.
