The November Charity of the Month is USPG

United Society Partners in the Gospel is an Anglican mission agency. Founded in 1701, USPG today partners churches and communities worldwide in God's mission to enliven faith, strengthen relationships, unlock potential and champion justice. Please visit: www.uspg.org

Charity of the Month We really appreciate the commitment of the congregation to supporting our charities during the year and are hoping we can have some suggestions about which 'home' charities you would like to be considered for next year. There is now a sheet at the back of church for suggestions, so do please add any charities you particularly value and whose work is mainly in the UK. Thank you.

Living in Love and Faith Please join either of our conversations in which over 6 weekly sessions we are exploring our understanding of human identity and changing patterns in relationships.

Wednesday afternoons at 2pm or Thursday evenings at 7pm. Please speak to Martin, Paul or Scott to find out more.

Gathering winter fuel – and “sharing” it

Because of falling church income owing to Covid, St Mary's is at present unable to pay its Parish share in full. The Parish Share pays for our clergy, their accommodation and also supports less well-off churches, along with the Diocesan ministry. Many of us receive £1-200 in Government Winter Fuel Allowance. Some of us do really need it, but not all of us. In the past many have very generously given their winter fuel allowance to charities including St Mary's. Would you be prepared to consider this? Without payment of the Parish Share, churches will close and clergy will not be replaced. If you would be prepared to donate, please see details on the St Marys website or contact the clergy or churchwardens.
