Charity of the Month for June: United Society Partners in Gospel (USPG)

Overseas mission has changed radically over the years. From being about the "propagation of the Gospel in foreign parts" when USPG was founded in 1701 mission nowadays is principally about partnership: mutual support and enrichment.

USPG's Vision is for the churches of the Anglican Communion to experience a deeper fellowship together in Christ and be sources of transformation within their communities and beyond.

Please visit the website for further information www.uspg.org.uk
